June 2018

Come and join us

Saturday June 23rd ***Hallmark of Harmony in Concert 7pm***

Seven times gold medal-winning Barbershop chorus '**Hallmark of Harmony**' will be travelling down from Sheffield to entertain us. Joining the show line-up will be gold medal quartet '**The Emerald Guard**', and our local Banbury chorus '**5Ways**'. It promises to be a spectacular evening, culminating with nearly 100 singers on stage!!

Friday June 29th ***Patronal Festival Service 7.30pm***

We don't have to be perfect for God to work through us; he can work through us, faults and all, as he did with Peter and Paul. It is quite significant that King's Sutton Parish Church is dedicated to these two really powerful and important figures. We remember them on June 29th which is when we celebrate their lives and works at our Patronal Festival. Our Festival Sung Eucharist starts at 7.30pm, and the Celebrant will be Fr. Oliver Coss from Northampton. So do come along and join us.

Saturday June 30th ***Forward in Faith Day – 11.00am start***

A tour of three churches – our Parish Church, Adderbury and Bloxham, including Bloxham Museum (see article inside).

If you would like to sponsor the floodlights of the church to remember an anniversary or other significant event in your family, please either contact Stephen Allday (811473) or take a form from the ledge just inside the church.

From Fr. Roger:

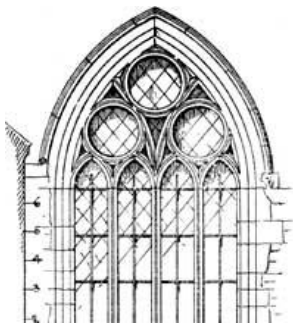

Another month passes! I miss the events going on around the village as, I think, most people miss me. Obviously events like the Artsweek, but also of course liturgical occasions. Also, I am sorry that Father John is not too well. Medically there are all sorts of appointments. It is a busy business being ill! I am immensely grateful for all the help of neighbours and friends who descend from London and Spain, parishioners, and the folk who came to cut the grass.

The work on the icon continues slowly. I hear the windows look splendid and I have finally had an idea of sorting out an image of S. Rumbold. Hopefully I will have more news in July.

****Fr. Roger has asked that no-one contacts him directly. He is not currently looking at e-mails, answering phone calls or having visitors. Please talk to Dee Thobourne about any church matters that you feel need urgent attention.**

Repairs and Conservation of the windows and masonry surrounds:

Holy Well Glass is now entering the home stretch in making improvements to our windows and masonry surrounds. One half of the scaffolding inside the church has already been removed and the rest is due to be dismantled on 14th June; this is a couple of weeks later than was planned due to additional work identified regarding metal and masonry deterioration when removing some of the windows back to their workshops in Wells, Somerset.

Nave roof: C J Charles Contractors have now completed the repairs to the Nave roof and any leaks appear to have been plugged; so no more buckets or umbrellas required!

Dee's Dee-lights

It takes more than snow, rain and scaffolding to stop these monthly Saturday morning social get-togethers from taking place! They come from far and near to be a part of this successful formula, as you can see from these latest pictures. However Dee's Dee-lights is now taking a summer break but watch out for dates in the autumn.

Forward In Faith, Peterborough to visit King's Sutton

The Peterborough Diocesan branch of Forward In Faith is to visit this parish on 30th June 2018. They exist to support the Society of St. Wilfred & St. Hilda in upholding and expressing the Catholic faith in the Church of England, and encourage men and women of all ages who value that inheritance to join us. But you certainly don't have to be a member of Forward In Faith to come to a service or an event sponsored by the Society - everyone is welcome.

We value tradition but are forward-looking and seek to be a good model for generous disagreement within the Church. We hold fast to the faith once delivered to the saints and received by the Universal Church while reaching out to other Christians of differing convictions and seeking ways of mutual co-operation wherever they may be found.

Bishop of the Society: The Right Revd Norman Banks

Biography: The present Bishop of Richborough is Norman Banks, who was consecrated in Southwark Cathedral on 16th June 2011. He was formerly the incumbent of Walsingham, Houghton and the Barshams in the diocese of Norwich, and before that incumbent of St. Paul Cullercoats in Tynemouth.

CAN YOU HELP?

Would you like comfortable pews in the Parish Church?

We have a beautiful church but we cannot claim that the pews are very comfortable! A dedicated group has started work on a project to make comfortable cushions to fit all the pews in King's Sutton Parish Church.

This is a big task and they would be very grateful for offers of help from any part of the community. You don't have to be a regular churchgoer and no experience is necessary, there are a variety of tasks.

At the moment the group meets each Thursday morning in the Church Room at 10.00 am so just come along, or contact Carole on 01295 811134 for more information.

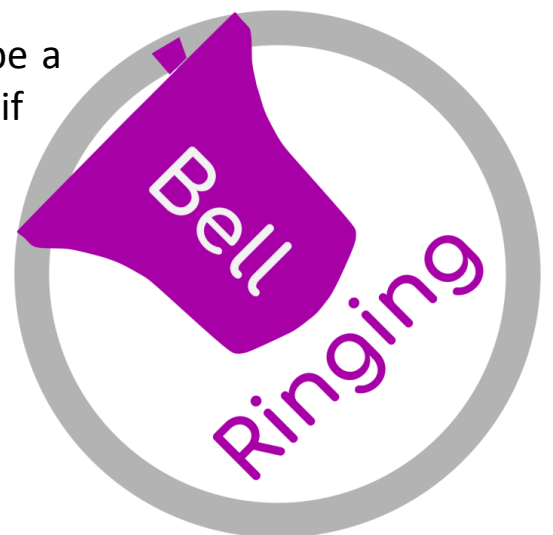

TOWER BELL RINGERS WANTED

King's Sutton Parish Church has a ring of 8 bells in its tower but not enough ringers to ring all of them. The Church is keen to build up the bell ringing numbers so that the bells can be heard more often than at present.

Do you think you can help? You do not have to be a regular churchgoer to take part, but it would help if you could commit to ringing most Sunday mornings from 10 o'clock..

If interested please contact Dee on 01295 811961 for more information.

To think about.....

“Complete strangers can stand silent next to each other in an elevator and not even look each other in the eye. But at a concert, those same strangers could find themselves dancing and singing together like best friends. That's the power of music.”

(L. Z. Granderson)
